

I register in iGUESS as a new user

iGUESS Training, June 2014

C. Braun, C. Eykamp, U. Leopold, R. Martin, L. de Sousa, O. Baume

What am I going to learn?

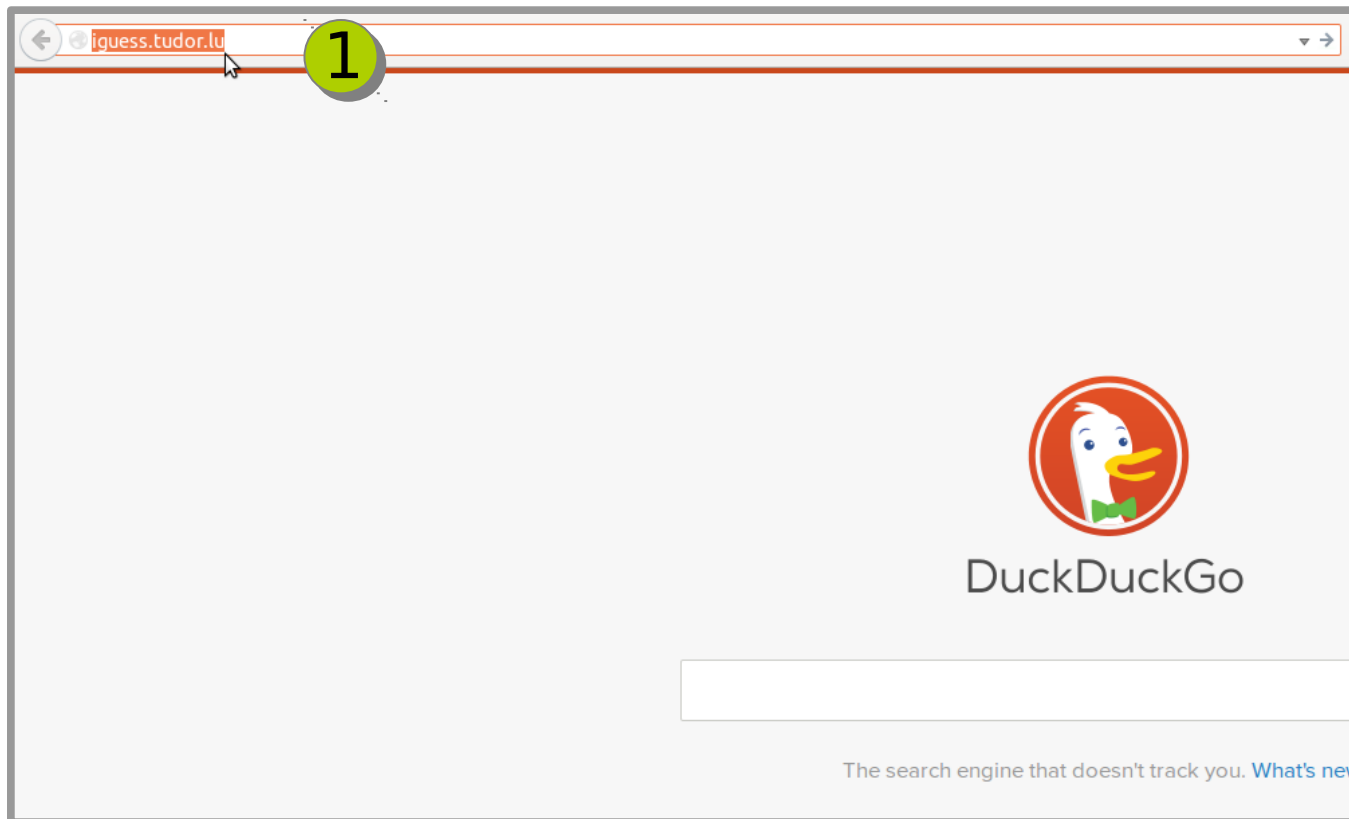

Understand how to connect to the iGUESS tool

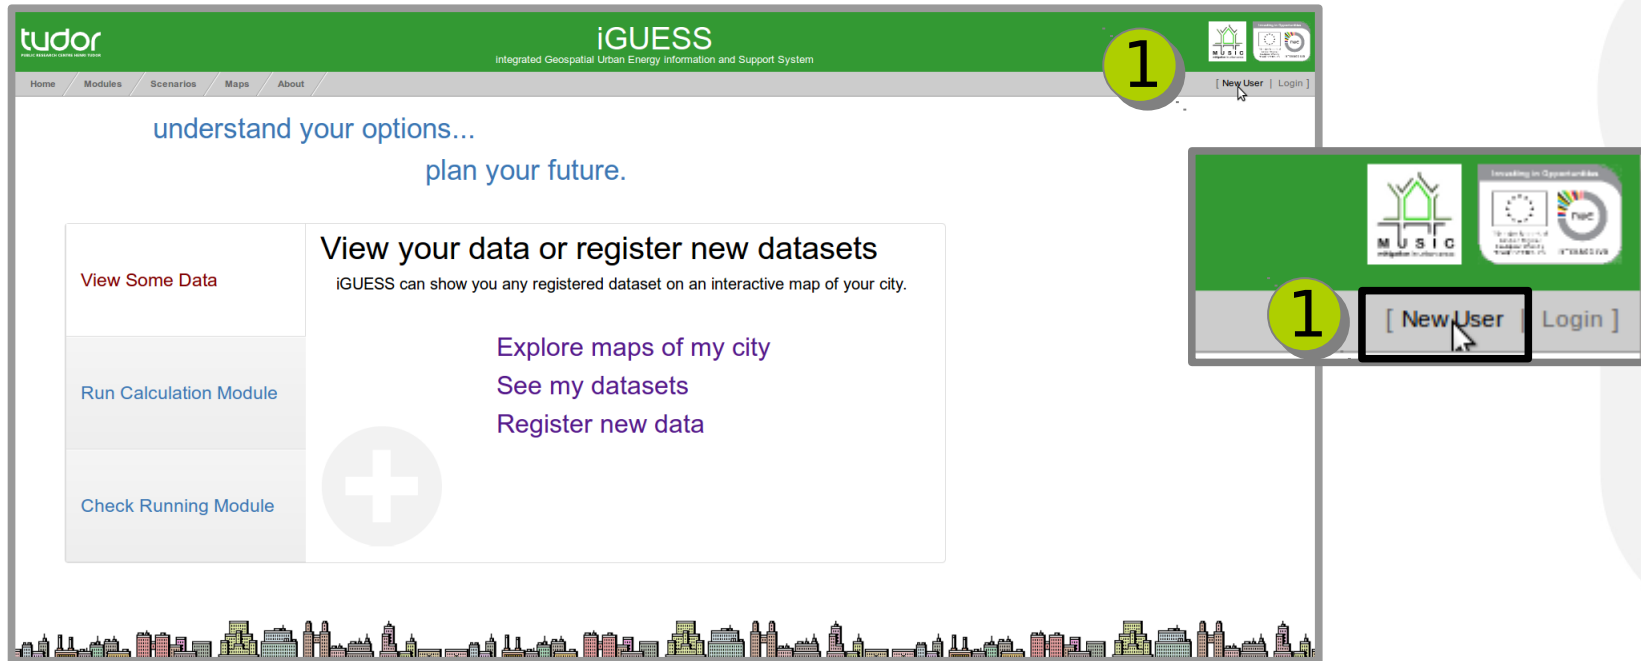

Understand how I create a new user in iGUESS for my city and check that I am connected as a new user

The iGUESS tool is accessible from your browser with the limitation that that iGUESS properly works only with Firefox .

1 I type ***iguess.tudor.lu*** in the url line. And I type enter

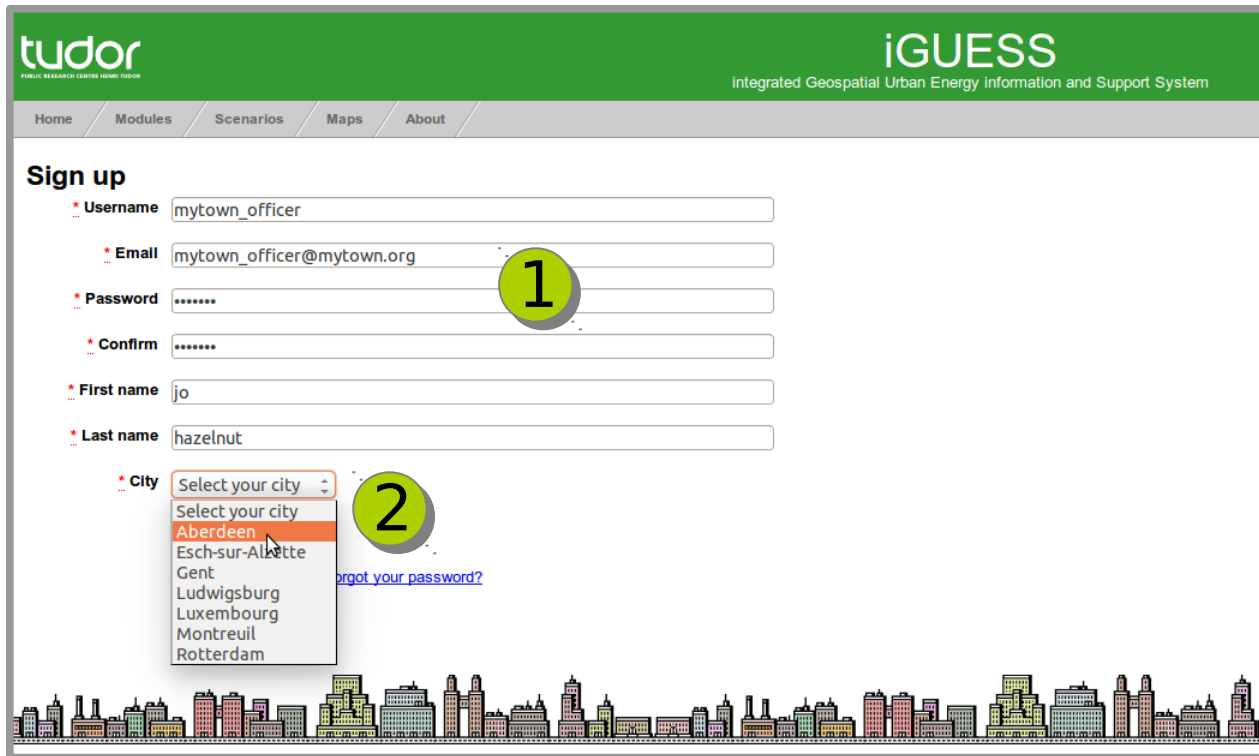

I arrive on the main page of the iGUESS platform.

- 1 As I am not yet registered I click on “New User” on the right hand side of the menu bar.

I arrive on the Sign-up page!

The screenshot shows the 'Sign up' page of the iGUESS platform. The page has a green header with the 'tudor' logo and 'iGUESS Integrated Geospatial Urban Energy Information and Support System'. A navigation bar includes 'Home', 'Modules', 'Scenarios', 'Maps', and 'About'. The 'Sign up' form contains the following fields:

- * Username: mytown_officer
- * Email: mytown_officer@mytown.org
- * Password: (masked with dots)
- * Confirm: (masked with dots)
- * First name: jo
- * Last name: hazelnut
- * City: A dropdown menu is open, showing a list of cities: Select your city, Aberdeen, Esch-sur-Alzette, Gent, Ludwigsburg, Luxembourg, Montreuil, and Rotterdam. A yellow circle with the number '2' is next to the dropdown.

A yellow circle with the number '1' is next to the Password field. A blue link 'forgot your password?' is visible below the City dropdown. The footer features a colorful city skyline illustration.

1 In order to register in the iGUESS platform I fill in the following fields:

- Username
- Email
- Password

I confirm my password. And I fill in my

- First name and
- Last name

2 In the field "City", I select with the roll-up menu the city where I work.

Sign up

* Username

* Email

* Password

* Confirm

* First name

* Last name

* City

[Already registered?](#) [Forgot your password?](#)

3 I check that the right city has been selected.

4 I click on the button  !

I am back to the main page of the iGUESS platform!

The screenshot shows the iGUESS platform interface. At the top, there is a green header with the 'tudor' logo on the left, the 'iGUESS' title in the center, and the subtitle 'Integrated Geospatial Urban Energy Information and Support System' below it. On the right of the header, there are logos for 'MUSIC' and 'EUROPEAN COMMISSION'. Below the header is a navigation bar with links: Home, Data Manager, Modules, Scenarios, Maps, Compare, and About. A yellow circle with the number '1' is placed over the 'Maps' link. To the right of the navigation bar, a box indicates 'Signed in as jo (Aberdeen)' with links for 'Account' and 'Logout'. A yellow circle with the number '2' is placed over the 'Maps' link, and a tooltip is visible over it with the text 'View maps', 'Visualize data and model results'. The main content area has a large heading 'View your data or register new datasets' and a subtext 'iGUESS can show you any registered dataset on an interactive map of your city.' Below this, there are three links: 'Explore maps of my city', 'See my datasets', and 'Register new data'. On the left side of the main content area, there are three buttons: 'View Some Data', 'Run Calculation Module', and 'Check Running Module'. A large plus sign icon is also visible in the main content area.

1 I can check in the menu bar that I am now registered and signed-in!

2 From here I can explore for instance the maps of my city!

Next steps

Once I am registered as a new user for my city I have the possibility to register new datasets and run new configurations of the modules.

I register a new dataset in iGUESS

I configure a module in iGUESS
